## **RHOADES MCKEE ANNOUNCES THE FORMATION OF THE HEALTH CARE PRACTICE GROUP**

(GRAND RAPIDS, Mich., July 1, 2009) — As health care continues to evolve in a complex and changing marketplace, Rhoades McKee announces the creation of its Health Care Practice Group to better serve the changing needs of health care practitioners and organizations throughout Michigan.

The Health Care Practice Group is comprised of attorneys who have served health care professionals in West Michigan for years. “Our health care clients have taught us that it is best to be cared for by a team of specialists working together. One generalist may not recognize all the problems presented or may not develop a coordinated and effective solution. Following their model, our attorneys will now serve our clients as a coordinated team of specialists delivering better service in a cost-effective manner,” stated John Lichtenberg, Practice Group Chair.

Members of the group include **John M. Lichtenberg (Practice Group Chair), Mary Ann Cartwright, Robert J. Dugan, Peter J. Lozicki, Robert C. Rutgers, Jr., Laurie M. Strong, Mary L. Tabin, and Doug P. Vanden Berge.**
